

SAHETI SCHOOL

5 February 2018

His Excellency
The High Commissioner of Cyprus Mr I Iacovou

We would like to bring to your attention that SAHETI School offers a number of scholarships and bursaries to girls and boys who are academic, sport or cultural achievers entering Grade 8 in 2019.

These bursaries range in value and are for the duration of high school, subject to the stated criteria being met every year. Recipients of such bursaries will need to demonstrate steady and continued progress every year, in order to qualify for subsequent years.

Please assist us by disseminating this information (in Greek and English) so that we can attract as many Grade 7 pupils of Greek descent as possible, who wish to apply for a SAHETI bursary. The Information Evening will take place on Wednesday 7 March 2018 at 18h30 at SAHETI. The exams will be written on Saturday 10 March 2018.

Interested parents of Grade 7 pupils should contact the Marketing Department of SAHETI on 011 479 3705 before 23 February 2018.

Thank you for your co-operation.

Mr W Taylor
Executive Headmaster
